

K-love is a wonderful way to keep in touch with God throughout my day and it helps me to know that I'm not alone. In a world that is so dark K-Love shines a light. I believe if K-Love were not broadcasting alot of people would listen to other stations that would further enable christians to be just like everyone else. I know I am more positive when I listen to K-Love and I believe that our communities that listen to K-Love are also. K-Love is the only station I listen too and will always be. Please do not take K-Love away!
